

THE WINNING POWER IN APPRECIATION

Appreciation is the fuel and backbone of relationships. Relationships survive on appreciation. Anyone who cannot appreciate cannot keep relationship for long- be it marital, family or business.

The richest man in the 20's committed suicide because he was not grateful. He had everything money could buy but he lacked contentment. The problem you have today is not what you don't have but lack of a grateful heart. Gratitude flows out of contentment. If you are positive and have a grateful heart, you will pay more attention to your gains than your pains. You'll make your praise overshadow your pains.

Real victors take delight in the trophy despite the bruises. Have you seen a heavy weight boxing winner before? He will lift his victory belt with smiles and jubilation amidst swollen eyes, lost tooth (teeth), bloody face, limping limbs, dislocated shoulder and worn body. Do you know why he could still lift the belt and celebrate despite the visible defeats? He believes that his pluses are more than his minuses and decides to put his whole attention on the pluses. Though you are in the battle of life right now but can I give you an insight? YOU WON! Yes, you won. The battle may still be on physically but the truth is Jesus gave you victory over two thousand years ago. You should be grateful for the assurance of victory.

I will remember the works of the Lord; Surely I will remember Your wonders of old. I will also meditate on all Your work, And talk of Your deeds. Psalm 77:11-12.

Imagine if you didn't make it out of the labour room, can you be asking for marriage or financial breakthroughs now? Making it out of the labour room is a miracle of old. Those who keep fresh in their mind the deeds of God create more rooms for more blessings.

A sad heart (broken spirit) dries the bones. Stop refreshing your failures. Stop hastening your aging process with sadness. Many are forgetting what they should be remembering and remembering what they should be forgetting. Men in marriage should be remembering when their wife was a queen (with perfect body frame) and women in marriage should be remembering the good moments shared together... the more of these you remember, the more you are likely to get.

Most of us use the best pictures in our phone as our screen display. How then are we using the worst moments of our life as the screen display of our mind? Use the best memories of your life as the screen saver of your mind and you will see your heart welling up with gratitude. You are Great!

DEEPER DEEPER IN THE LOVE OF JESUS

1 Deeper, deeper in the love of Jesus

Daily let me go;

Higher, higher in the school of wisdom,

More of grace to know.

Refrain:

Oh, deeper yet, I pray,

And higher ev'ry day,

And wiser, blessed Lord,

In Thy precious, holy word.

2 Deeper, deeper! blessed Holy Spirit,

Take me deeper still,

Till my life is wholly lost in Jesus,

And His perfect will. [Refrain]

3 Deeper, deeper! tho' it cost hard trials,

Deeper let me go!

Rooted in the holy love of Jesus,

Let me fruitful grow. [Refrain]

4 Deeper, higher, ev'ry day in Jesus,

Till all conflict past,

Finds me conqu'ror, and in His own image

Perfected at last. [Refrain]
