

FAVOUR WITHOUT LIMIT

He did this that He might clearly demonstrate through the ages to come the immeasurable (limitless, surpassing) riches of His free grace (unmerited favour) in His kindness and goodness of heart toward us in Christ Jesus. Eph.2:7 (AMP).

I want to specially welcome you to Our Month of 'FAVOUR Unlimited'. This is the fifth month of the year. Five is a number of Grace. Grace means Unmerited Favour. Position yourself to receive all that God has for you this month.

Every child of God is entitled to Favour unlimited. God marks His Own out for a life with unlimited favour. You have been destined to enjoy unlimited privileges and all-round goodwill from God and man. You belong to the most privileged lineage, if you are born of God.

"...I came that they may have and enjoy life, and have it in abundance (to the full, till it overflows)." John 10:10b AMP

JESUS did not come to make us manage through life. He came to give us overflowing life. You are destined to live life to the fullest, if you are in Christ.

The lives of many Bible giants are reflections of the God's kind of Life. David, who was a shepherd-boy became a king without the support of the sitting king. He enjoyed the support of the prince (Jonathan), who was by birth entitled to the throne. Jonathan was David's number one fan. God used Jonathan in an unbelievable way for the enthronement of David.

When God begin to favour you, you will enjoy favour in strange places and from the most difficult people. Those who should be a stumbling block will be used as stepping stones. Your haters will become your instruments of lifting and breakthrough. You will have result that outweigh your effort.

I pray that the Lord will shower you with favour without limit, this month. He will grant you supernatural access to high places. This month, you will enjoy uncommon privileges. God will send you foster fathers and nursing mothers of destiny, in Jesus' name.

Keep safe. Keep Faith. You are Great!

Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

PRAISE HIM, PRAISE HIM! JESUS, OUR BLESSED REDEEMER!

Praise him, praise him! Jesus, our blessed redeemer!

Sing, O earth, his wonderful love proclaim!

Hail him, hail him! Highest archangels in glory!

Strength and honor give to his holy name!

Like a shepherd, Jesus will guard his children.

In his arms he carries them all day long.

Refrain:

Praise him! Praise him! tell of his excellent greatness.

Praise him! Praise him! ever in joyful song.

Praise him, praise him! Jesus, our blessed redeemer!

For our sins, he suffered, and bled, and died.

He our rock, our hope of eternal salvation, hail him, hail him! Jesus, the crucified.

Sound his praises, Jesus who bore our sorrows,

love unbounded, wonderful, deep, and strong.

[Refrain]

Praise him, praise him! Jesus, our blessed redeemer!

Heav'nly portals loud with hosannas ring!

Jesus, Savior, reigneth forever and ever!

Crown him, crown him! prophet, and priest, and king!

Christ is coming, over the world victorious.

Pow'r and glory unto the Lord belong.

[Refrain]

PROTECT YOUR HEART – SIMPLE DAILY HABITS

HOW CAN I PROTECT MY HEART DAILY?

Start with healthy eating. Choose more fruits, vegetables, whole grains, and lean proteins while reducing salt, sugar, and processed foods. Drinking enough water also supports proper blood circulation and overall heart function. Next, stay active. You don't need intense workouts—just 30 minutes of brisk walking, stretching, or light exercise daily can strengthen your heart and improve blood flow. Even taking the stairs or walking short distances instead of driving helps. Manage stress effectively. Daily pressures from work, finances, or family can strain your heart. Take time to relax—practice deep breathing, prayer, meditation, or simply unplug from stress triggers for a few minutes each day. Get enough rest. Aim for 6–8 hours of quality sleep each night. Poor sleep can increase your risk of heart problems, including high blood pressure. Avoid harmful habits like smoking and excessive alcohol consumption, as these significantly increase heart disease risk. If you already smoke, reducing gradually and seeking support can improve your health. Also, monitor your health regularly. Check your blood pressure, blood sugar, and cholesterol levels, especially if you have a family history of heart disease. Finally, maintain positive relationships. Spending time with loved ones and building a support system improves emotional well-being, which is closely linked to heart health. In summary, protecting your heart is about daily consistency—eat well, move more, rest enough, manage stress, and make mindful choices. Your heart will thank you for it.

Join Us in this Kingdom expansion project the church is in need of 100 Dozens of chairs to accommodate more members and replace the worn out ones at the overflows. A family already gave 25 Dozens and we don't want you to be left out of the blessing. A Dozen cost N94,800, and the total project is N7,110,000. Whatever God lays in your heart will be appreciated.
